*Hijacked 2: Germany and Australia* is an innovative new exhibition of work by 32 photomedia artists (16 from Australia and 16 from Germany). The exhibition presents images from a major new book with the same title.

Building on the contemporary modality of social networking, the exhibition eschews a simple linear critical argument in favour of a multiplicity dialogues between works. The result is often surprising or challenging in its juxtapositions. Work by established Australian artists is revealed in new light, while unfamiliar work by emerging artists and those from overseas is introduced in stimulating and engaging ways.

**Australian artists:** Narelle Autio, James Brickwood, Michael Corridore, Andrew Cowen, Tamara Dean, Jackson Eaton, Suzie Fox, Lee Grant, Derek Henderson, Rebecca Ann Hobbs, Ingvar Kenne, Bronek Kózka, Georgia Metaxas, Conor O'Brien, Polixeni Papapetrou, Louis Porter

**German artists:** Johanna Ahlert, Natalie Bothur, Jörg Brüggemann, Thekla Ehling, Albrecht Fuchs, Jan v. Holleben, Karsten Kronas, Anne Lass, Jens Liebchen, Myriam Lutz, Julian Röder, Josef Schulz, Oliver Sieber, Ivonne Thein, Olaf Unverzart, Sascha Weidner
